

This Privacy Policy is based on Law No. 2019-014 of October 29, 2019, on the protection of personal data.

General Information

This website is owned and operated by the Government of Togo. Access to and browsing of this website are voluntary and free of charge and automatically confer the status of “Visitor” (hereinafter, “Visitor,” “you”) upon the interested party.

If the “Visitor” decides to apply for one of the job openings available on the site, they will automatically be granted the status of “User.” Consequently, we define a User as any natural or legal person registered on the website.

This website may only be used by individuals with legal capacity. Therefore, if you do not meet the legal age requirement under the applicable laws and regulations of your country, please do not visit or use this website. The Government of Togo reserves the right to block access to this website, without prior notice, to Users who do not comply with this requirement.

Collection of Personal Data

No personal information is automatically collected from users who simply visit this website or from anyone who downloads content for informational purposes.

Personal data collected for the provision of services offered through this website, as well as data obtained during navigation and use of this website, will be processed in accordance with the Privacy Policy and the Cookie Policy.

The Government of Togo may use this information to determine the number of website users, their locations, which parts of the website interest them most, and other facts that will help improve the website and the services offered.

Rights of individuals whose data is being processed

Every user of the website whose personal data is processed has the following rights :

- ● The right to information: ensures that users are informed in a transparent, clear, and accessible manner about the collection and processing of their personal data.
- ● The right of access to personal data: allows any user of the website to request and obtain information about the personal data held by the Togolese government.
- ● The right to object: allows the user to object, at any time, to the processing of their personal data for specific reasons or in certain specific contexts.

- ● The right to rectification and erasure: allows users to request that the website publisher (the Togolese government) correct inaccurate data or delete personal data that is no longer relevant or necessary.
- ● The right to erasure when personal data has been made public: allows users to request the deletion of their personal data under specific circumstances, including when such data has been made accessible to a wider audience.

To exercise any of these rights, the user should contact the website publisher (the Government of Togo) using the contact information provided below.

Privacy Policy

Des mesures techniques appropriées ont été adoptées pour garantir la confidentialité, l'intégrité, la disponibilité et la sécurité des données personnelles collectées.

Aucune information individuelle (nom, adresse, numéro de téléphone, etc.) ne sera vendue ou louée à un tiers à des fins de marketing ou de liste de diffusion sans votre permission.

Contact Information

If you would like to contact us to learn more about this policy or if you have any questions regarding your individual rights and personal information, please send an email to contact@digital.gouv.tg.
